

**BUILDING A SAFE ENERGY FUTURE
FOR THE CAROLINAS
GUEST SPEAKER SERIES**

Wednesday, October 3, 2007

Peter Bradford

Peter Bradford has formerly served as a Commissioner to the U.S. Nuclear Regulatory Commission and Chair to the New York State Public Service Commission and Maine Public Utilities Commission. Currently, he advises and teaches on utility regulation, restructuring, nuclear power and energy policy in the U.S. and abroad. He has been a visiting lecturer in energy policy and environmental protection at Yale University and has taught utility law at the Vermont Law School. He has taught Nuclear Power and Public Policy at Vermont Law School and served on a National Academy of Sciences panel evaluating the alternatives to continued operation of the Indian Point Nuclear Power Plants in New York. He is also affiliated with the Regulatory Assistance Project, which provides assistance to state and federal energy regulatory commissions regarding economic regulatory policy and environmental protection. He is vice-chair of the Board of the Union of Concerned Scientists.

Time: 6:30–8:30 PM

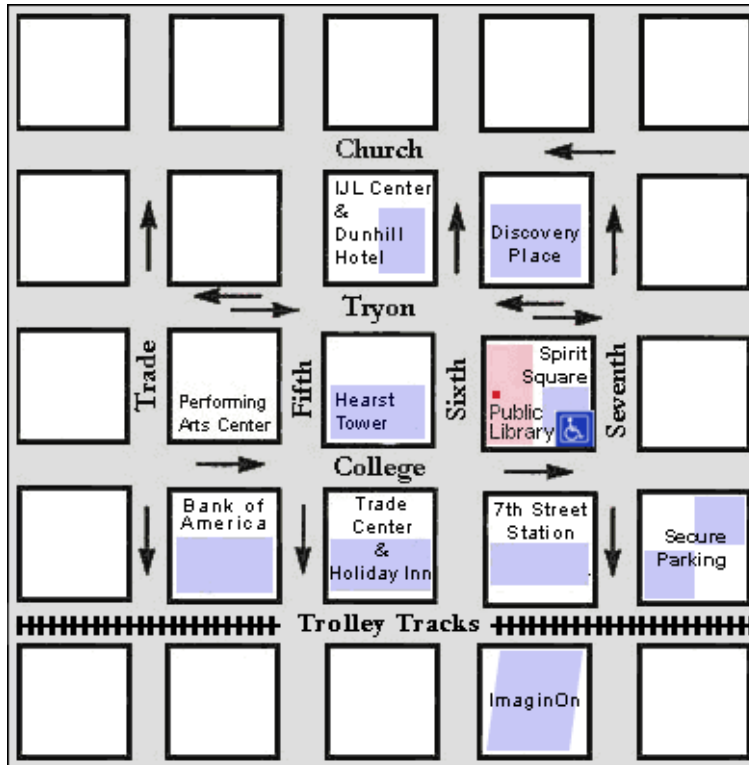

Place: Charlotte Public Library, Dalton Conference Room
Main Library 310 North Tryon St. Charlotte, NC 28202
